## Basketball ACT Vision and Mission

### *Basketball for All*

Basketball ACT will provide unified services for the enjoyment and enhancement of basketball in our community.

Our mission is to successfully lead, manage, develop and promote basketball for the benefit of our members and to maximise the enjoyment and opportunities for all.

Our basketball programs will be recognised and supported locally, nationally and internationally.

The values we promote or support include:

- Enjoyment of sport and basketball
- Honesty and integrity
- Professionalism
- Understanding
- Respect and tolerance
- Openness and transparency
- Teamwork and cooperation
- Customer service focus

## Full Member Clubs

### Community Clubs

Belconnen Ramblers Basketball Club  
Queanbeyan Roadrunners Basketball Club  
Tuggeranong Southern Cross Basketball Club  
Tuggeranong Vikings Basketball Club  
Norths Basketball Club  
Ginninderra Rats Basketball Club  
Weston Creek Woden Basketball Club  
Wests Magpies Basketball Club

### School Clubs

Radford College  
Canberra Grammar School  
St Edmunds College  
Canberra Girls Grammar School  
Daramalan College  
Marist College  
Burgmann College

## Other Clubs

Australian Defence Force Academy  
Merici College

University of Canberra Basketball Club  
Australian National University

## Governance

The Basketball ACT board comprises of the President, Vice President, Secretary, Treasurer and 4 independent directors, 2 elected by the members and 2 appointed by the board. The CEO attends all board meetings to report on the organisations activities and performance for the period.

The board meets 11 times per year on the last Thursday of each month except in December. 5 members form a quorum. Most meetings are held at the address of Calaghans in Belconnen.

On appointment to the Basketball ACT Board, each member is required to sign a declaration to act as a director and maintain confidentiality in relation to the affairs of the board of Basketball ACT. Members must meet the general obligations of directors such as:

- Discharge their duties with care and diligence
- Act in good faith, and in the interests of Basketball ACT
- Not use their position to benefit themselves or any other person, or to cause detriment to the sport of basketball or any person
- Not use any information obtained by virtue of their position to benefit themselves or any other person, or to cause detriment to Basketball ACT or any person
- Declare any material personal interest where a conflict arises with the interests of Basketball ACT. Directors are required to resign from holding any formal office bearer or position with a member club

Over and above these, members recognise their responsibility for maintaining a reputation for integrity and propriety on the part of the Board and Basketball ACT in all respects.

## 2012 ACT Basketball Inc. Board Members

President:	Mark White
Vice President:	Greg Evans
Secretary:	Gary Evans (October 2011 – February 2012) Eric Malcolm (February 2011 onwards)
Treasurer:	Graham Coddington
Director:	Brad Barnes
Director:	Melissa Backhouse
Appointed Director:	Richard Nesbitt Gary Evans

## Board Committees

Finance and Audit Committee:	President, Treasurer, CEO
Facilities Committee:	President, Treasurer, Director (G Evans), Director (G Evans), CEO
Remuneration and Benefits Committee:	President, Director (M Backhouse), Director (Greg Evans)
Competition Committee:	Director (E Malcolm), Director (M Backhouse), G Voysey, B Jackson, T Aitkinson, CEO
Coaching Selection Committee:	Director (G Evans), M Hosking, B Barnes
Capitals Management Advisory	Director (B Barnes), Head Coach, CEO & external independent experts

## 2012 Basketball ACT Staff

Chief Executive Officer:	Tony Jackson
High Performance Manager:	Brendan Parnell (departed Apr 2012)
Junior Programs Administrator:	Cheryl Wright
Community Basketball Manager:	Jack Taylor (departed Jul 2012), Dallas Watt
Junior Competitions Administrator:	Mick Hanley
Services Manager:	Karin Berrysmith
Sponsorship Manager:	Lucille Bailie (departed Jun 2012)
Head Coach, Canberra Capitals:	Carrie Graf
Basketball Operations Manager:	Jon Pratt
Administration Officer:	Colleen Ebsworth
Participation Officer:	Jesamine Wheeler (departed Jul 2012)
Elite Programs Administrator:	Will Sackett
Finance Officer:	Linna Du
Barb Turner:	Senior Customer Service Officer

### Casual Staff:

Barbara Turner	Brian Demmery	Jackson Dunkley	Michaela Turner
Kalani Joliffe-Cole	Cheryl Wright	Renae Polyak	Dom Northcott
Kurt Duncan	Declan Ninnis	Sally Kearns	Suzanne Helson
Jan Rogers	Jack Taylor	Rachel Watson	Robert Rosewarne
Ellen Crisp	Daniel Slater	Stephen Ebsworth	Mark McKenzie
Sarah Taylor	Renae Fenwick	Jacqui Spence	John Smith
Sharon Eldridge	Eugene Klefisch	Jarrood Phillips	Otis Lisle
Jordan Phillips	Paul Davis	Trent Barry	Michael Gaudiosi
Grant Voysey	Matthew McRae	Daniel Byrnes	Sam Pettigrove

## President's Report

On behalf of the Board of Basketball ACT, I am pleased to present the 2012 President's report. It has been another busy year for the board and staff. As part of our new CEO Tony Jackson's induction we have undertaken significant consultation and communication, including surveys, town hall meetings and direct meetings with the Clubs.

We continue onwards with our Facility developments working through lease issues, which if left un-resolved would not enable us to realise our dreams, as well as looking at new and innovative ways of financing the development which would reduce the burden on the Association and indirectly onto the consumers of basketball here in the Territory.

Both of our elite teams have had shocking years, with the Capitals unable to have arguably the best female basketballer in the world, Lauren Jackson suit up, and the Gunners finishing with just a solitary win in the 2012 SEABL season. Both coaches have shown the grace and class expected of them in dealing with these horror years, and we are hopeful that both will continue the rise back up the table next season. Lauren is in discussion with us as we speak and after passing up returning to Seattle in the WNBA, we are hopeful that she will fulfil her 3 years here starting in October 2013.

The Centenary of Canberra celebrations brings an added excitement to a Canberra born lad like myself. Our little City that Can has already shown what a great community we are with the Caps leading off a big year of Sport, Culture and Celebration. We are hopeful of adding to that with an announcement soon on a family favourite, the Harlem Globetrotters, as well as hosting an NBL game at the AIS Arena.

The Gunners celebrate their 30<sup>th</sup> anniversary in the SEABL, as well as the 10<sup>th</sup> anniversary of the 2003 East Conference this year. I'm privileged to have been involved with this program and proud to see the next generation embrace the Gunners ethos of playing for and with your mates and punching above our weight in a truly exiting 2<sup>nd</sup> tier National Competition. Adding the Capitals Academy team to that comp has also excited the fans and Board alike. Seeing the next Kate Patterson, Nat Hurst, and Alice Coddington go head-to-head against WNBL players in their off season shows that our Women's elite pathways is alive and well.

As a member of Basketball Australia, your state was well represented last year in Strategy and Governance involvement. After public criticism, some emanating from our midst, I am pleased to see that BA will now look to its other 'showcase' properties for review and/or revitalisation, and given our stature in the WNBL, we will be highly involved and interested in the outcomes of each review.

Another exciting development that has made us proud was the Gunners Academy, coached by the best talent in our midst, they were immediately competitive and played finals in their first year in the NSW State League. Our representative teams all showed great development and our coaches, managers, players and parents need to take a bow for the way they represented the state.

Our Clubs have done a great job in continuing to grow the participation numbers. We continue to be held up as a safe sport played in clean, dry and warm facilities, with a genuine pedigree and appeal to both genders. Families are inspired by our Caps and Gunners and are often shocked to see the same faces contributing at Carnivals, Camps, Games and Officiating, something that I am proud to say I do not see in other sports.

The tireless effort and work put in by Basketball ACT staff are largely responsible for growth and stabilisation of competition, officiating and development programs. I'd like to personally acknowledge the efforts of the staff in this area, and our new CEO who managed to step in and re-invigorate staff and our operations from his very first day. Lastly, thanks to my fellow Directors - generous volunteers who supply more than just their intellectual power, they deliver on our shared passion and vision for the sport and are always prepared to go the extra mile.

**Mark White**  
**President**

## CEO's Report

2012 was a year of consolidation and engagement for Basketball. The Board and Management identified a need to better understand our business and the customers that form our members and constituents through a series of engagement processes, such as the town hall meetings and surveys. This has provided us with invaluable information and feedback which in turn will form the basis of the Business and the annual Operational Plans for Basketball ACT over the next 18 months. Going forward these will form a part of the annual engagement program with our members.

A lean year for the trophy cabinet, however some outstanding achievements all the same as Basketball ACT hosted a very successful Under 20 National Junior Championships in February 2012. This major event put on show not only Basketball in the ACT but Canberra as a city of tourism destination. We witnessed considerable growth in the core business competitions both in Senior and Junior as well as male and female participation as well as expanded relationship with the Active After Schools Community Program and increased delivery of our in-school and out of school Aussie Hoops program.

Our ACT Representative teams achieved encouraging results at Junior National Championships, and although they returned home without medals around their necks, ACT continued to impress by constantly finishing in the top half of each championship pool and improved results on previous years, particularly both the Under 14 Boys and Girls who finished in the championship division of the club championships which is encouraging for future years.

The Senior representative teams endured a difficult and at times frustrating year as the Capitals failed to make the finals for the first time in 8 years and the Gunners who suffered crippling injuries to key imports and NBL quality players as well as a change of coach early in the season struggled throughout the SEABL to finish in the bottom half of the ladder. On a positive, Basketball ACT consolidated the Senior Representative teams by withdrawing both the men and women nations teams from the BNSW Waratah Championship division and entered the female team into the SEABL as the Capitals Academy and immediately demonstrated the depth of the female ACT program as the team, predominantly made up of ACT juniors and local players was extremely competitive in their very first season. Having both the men and women compete and travel together in the SEABL created a stronger club culture and relationship with our teams and Saturday night Belconnen soon became an excellent night to witness some terrific SEABL basketball and opportunity to see our mens and womens side by side. The other success story was the introduction of the Gunners Academy in the BNSW Waratah State league. This team was structured to be an internal U/23 age group cut off and played other towns and cities in the greater and surrounding region. The team represented Basketball in the ACT with pride and distinction and was an encouraging sign as to the future of our mens program as they made it to the quarter final in their very first year only to lose to Hornsby by 1 point.

The Vikings played in every Premier League grand final and look set to complete the full house however eventually only triumphing in the Premier 2 women but took a suite of wards for their players. They are quickly establishing themselves as the senior basketball Club on the rise.

B-ACT continues to have a commitment to its social inclusion strategy with the Tuesday night wheelchair training competition which is now being conducted at the Woden centre as well as an expansion of the Team Harmony Program in collaboration with the Migrant and Refugee Settlement Service and the Sudanese community participation program and partnering with Big Bang Ballers to deliver night hoops. These programs area aimed to assist new Canberrans to integrate into the community using basketball as well as provide a safe haven for kids and take them off the street and participate in a sport such as basketball. Officiating education was added as a new component and the programs demonstrated great success with many new players and referees joining into the mainstream BACT competitions.

On the national and global stage, the Olympics were staged in London and basketball was again a feature event. The Opals, lead by Head Coach Carrie Graf and Lauren Jackson achieved Bronze medal with a win over Russia which was an outstanding result considering the loss of Penny Taylor. The men achieved recognition for their grit and never say die attitude and lead by Patty Mills fell at the hands of team USA in the crossover. Both teams wet our appetite for what the future holds for Boomers and Opals. The Wheel chair program stepped up a level with the Gliders achieving Silver when they played Germany in the gold medal game and the Rollers finishing with Silver behind the Canada.

Basketball is extremely healthy with the game being played in more and more nations across the world with continued growth. With the development of the 3 on 3 game at not only local competition but onto potentially the world stage, it is exciting times for our sport and particularly here in the ACT as we are well positioned to take advantage of these new ventures.

2012 presents an exciting new era for BACT with many challenges. There is the ever present requirement to record a strong financial surplus for the membership, whilst balancing the need to provide excellent value products and services to the community whilst maintaining our aging facility. 2012 is the year when BACT will commence on the new facility development of the Centre of Basketball Excellence at the Belconnen site. This will be a culmination of years of studies, lobbying, tireless work and commitment by a long stream of Board members, current and past and senior management. 2013 will see the implementation and change to competitions through the establishment of the Competition Committee and Competition Operations structure. The outcome of this implementation (conducted by independent working groups populated by members of the basketball community) will result in BACT producing a strategy to transition in agreed changes over the following competition seasons. It is the intention of the Board to embark on a review of the BACT high performance pathway to ensure that the organisation is providing maximum opportunity for identified athletes to fulfil their individual potential, as well as providing a consistent flow of players and coaches through the senior high performance programs.

Throughout the year a number of changes evolved within B-ACT with the resignation of Brendan Parnell and Jack Taylor as well as Jesamine Wheeler finishing her time at B-ACT and the retirement of Cheryl Wright. These staff have all made tremendous contributions to Basketball ACT and were all long time employees and I would like to thank them for their efforts and service. Of recent times I welcome both Dallas Watt and Megan Salic to the organisation and they already have established themselves within the basketball community and made an impression.

I'll take this opportunity to extend my personal thanks to a number of people and groups who helped deliver great basketball services and programs during 2012:

- The voluntary Board of BACT
- The staff (permanent and casual) of BACT that work exceptionally hard all year round
- Campbell McGregor (Disciplinary Tribunal Chair)
- Brian Franklin (Chair of Judiciary Tribunal)
- Pat Dickson (Chair of Scoretable Committee)
- Richard Noble (Chair of Statisticians Committee)
- Community Club and School Club voluntary committee members
- Bernie Leger (Easer Egg tournament organiser)
- The hundreds of volunteers that assisted with coaching, managing, and the administration of basketball in the Territory
- The major sponsors of basketball in Canberra, including ActewAGL, The Tradies, TransACT and Duncans Plumbing
- The ACT Government and Sport & Recreation Services and ACT Tourism

Finally, I would like to recognise the contributions of our fabulous coaches at all levels, Club, Development, Representative and High Performance both Junior and Senior. They all put in an enormous amount of time and carry the hopes, dreams and successes of the players that are under their tutelage. I would like specifically acknowledge Cameron Barnes who took over the reigns of the Canberra Gunners at a difficult time and demonstrated his immediate ability to be an outstanding head coach, Sandy Tomley for steering the Capitals Academy in the inaugural season to a fantastic result in the SEABL and Tony Plunkett who has very quickly set an impressive culture in our Gunners Academy that will path the way for future players into the Gunners. Our programs are at and very exciting stage due to their professionalism and passion and provide and legitimate pathway and goal for every young junior basketball in the ACT to one day be a Capital or a Gunner.

**Tony Jackson**  
**Chief Executive Officer**

## Basketball ACT Strategic Plan

The Strategic plan was developed by the Board and identified key success measures across the breadth of Basketball in the ACT. It encompassed the key elements of BACT core business across all three major streams (Association, State and National League): Service delivery, financial performance, customer satisfaction, program / event management, business development & growth, measurement and tracking systems, human resource management and more.

2013 marks the final year of the current Strategic plan and Basketball ACT board and management is excited about working with our members and constituents in developing the strategic plan for the next period of growth and prosperity for Basketball in the ACT and greater and surrounding region.

The Strategic Plan is divided into four main goals:

## Goal 1: A Sustainable Future

- Reflects that we view the future as an opportunity to grow and through the development and implementation of economic and environmental sustainability plans we will demonstrate how we will meet these and society's other health and wellness challenges, and the Territory changing demographics. We aim to have stakeholders, facilities and systems that foster, support and grow our sport now and into the future.

This is achieved through; Association Financial Management; Association Funding and Sponsorship; Governance, Support and Administration

- Whilst still a not-for-profit incorporated Association, Basketball ACT now operates as a small to medium enterprise and effective cash flow management is the cornerstone of every small business, with this organisation being no exception. Apart from the business as usual elements of financial management, B-ACT was also actively involved in the financial modelling and business case development for the various options for the potential new facility stadium development. A constant challenge for BACT is to continue to meet the ever-rising costs of delivering an indoor sport in the ACT whilst attempting to keep the cost of basketball to the consumer at a reasonable level. An important factor in achieving this balance is to attract alternate sources of revenue into the sport such as those derived from commercial partnerships.

## Goal 2: Informed and Engaged Consumers and Stakeholders

- This is achieved through strong, collaborative partnerships with consumers and stakeholders. Our focus is to ensure high levels of awareness and understanding of basketball and its products and services in the ACT. We aim to deliver accurate, consistent information in the right form, at the right time.

This is achieved through; Association Development (Participation) Program Management; Operational Representation with Government; Operational Representation with Basketball Australia; Operational Representation at WNBL

- Understanding and knowing our customers has been a focus of Basketball ACT over the past 12 months through more engagement than ever before. Government is a major stakeholder of BACT and it is imperative that the organisation has a strong understanding of government agendas and is able to compliment government policy. B-ACT has a healthy relationship with the ACT Government and is always looking for opportunities to strengthen this bond in order to deliver new and exciting programs to the Canberra community.
- B-ACT is a member of Basketball Australia and as such has a responsibility to compliment and support the national direction of basketball. At the same time, BACT must ensure that its members are adequately represented and that basketball in the Territory is recognised appropriately by the national body.
- To ensure that the business of basketball is developing, a sound governance model must be in place. This includes effectively managing both internal and external stakeholder relationships.

### Goal 3: Improved Products and Services

- Are fundamental to supporting our consumer's ongoing participation, contribution and commitment to our sport. This goal is premised on a commitment to work with our stakeholders and consumers. A focus on improved products and services that reflect the evolving needs and expectations of our consumers and supports their participation and contribution to the sport.

#### This is achieved through; Association Representative Program Management

- The Association representative program captures the junior development program and the senior representative program and the Association's pinnacle representative program: The Canberra Gunners and Canberra Capitals. These programs enable talented athletes, coaches and referees to progress along a high performance pathway within the ACT. It should be noted that these programs work in collaboration with the State Representative programs (including ACT junior representative programs and the ACTAS NITP).
- State Representative Programs exemplify the peak of junior high performance basketball in the ACT. The Territory has limited resources to draw from (approximately 2,500 junior players compared to well over ten times this amount in some other states) however we are always striving to perform well on the national stage and demonstrate to the rest of Australia that the ACT is a force to be reckoned with.
- The Aussie Hoops program is a national program which promotes basketball to primary school aged children. BACT conducts a strong Aussie Hoops program that is highly regarded amongst the education fraternity. The Aussie Hoops program is divided into two delivery models: In-school and After-School. The In-School model is the delivery of traditional school clinics at the schools, whilst the After-School program is a way to introduce parents and children into a basketball stadium environment. Both models are critical to promoting the sport and to driving participants into Clubs to take up structured competition basketball.

### Goal 4: Excellence in Service Delivery Capability

- Reflects that we can only be successful in our other goals if our people, staff and volunteers, have access to appropriate systems, processes and resources and are supported, led and engaged. This goal also reflects the importance of effective planning, implementation and ongoing evaluation to maintain a high level of excellence.

#### This is achieved through; Management and Administration of State Representative Programs; Event Management; Facility Management; Elite Team Operations; Elite Team Marketing and Sponsorship; Elite Teams Contract Management

- BACT conducts high quality events on an annual basis, including Canberra Classic and Easter Egg Challenge.
- Whilst B-ACT has a very healthy Balance Sheet, the majority of it is tied into the Belconnen Basketball & Sports Centre. As such, it is critical that B-ACT maximises the earning potential of the stadium in order to gain the greatest return for members as well as maintain and improve the stadium to ensure that the customer experience is as enhanced as possible. Given that the stadium is 20 years old, Belconnen is in very good condition and until an alternate larger home is developed Belconnen must be maintained so that it can continue to host over 10,000 games of basketball per year. Stadium improvements in 2010 included painting, new carpet, new rings, new backboard hydraulics, landscaping at the front of the stadium, new water efficient toilets, updated Gunners change-room and new line markings and resurfacing of all four courts. This is in addition to the usual rigorous maintenance schedule required of an aged building.

## Treasurers Report

I am pleased to table for Members the Audited Financial Statements for the year ended 30 September 2012.

You will note that the Audited Financial Statements show a net profit of \$1,277,661. This has resulted from the auditor's treatment of the ACT Government Grant of \$1,220,000 to purchase the Belconnen land as income in the profit & loss statement. The corresponding expenditure for the purchase of the land has been treated as a non-current asset on the balance sheet. This treatment is required by Accounting Standard AASB 1004. However for our management purposes I have excluded the Government Grant in this report on operations.

The profit from ordinary operations for 2012 was \$57,661 (2011 \$39,380, 2010 \$24,187) after claiming depreciation and amortisation of \$64,018 (2011 \$66,771). This equates to a cash surplus for the period of \$121,679 (2011 cash surplus of \$106,151).

As in the previous couple of years the profit from operations and cash surpluses have shown an increase but I will repeat what I said last year that they are still not at the level B-ACT requires as we continue the push to improve cash reserves.

Improving the profit from operations remains a key target of Management and the Board in the 2013 Financial Year. We had a very rigorous budget process this year and I would like to pay tribute to Tony Jackson for his efforts in that regard. From my point of view the on-going focus is on process improvement and cost control.

Basketball ACT had Net Assets at 30 September 2012 of \$3.656M. The large increase from last year's figure of \$2.378m obviously comes from the purchase of the land in Belconnen funded by a Government Grant.

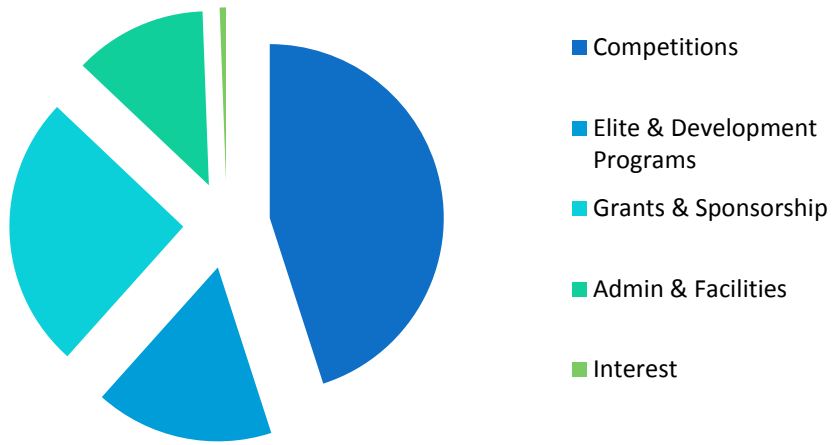

Basketball ACT maintains good cash flow and with a liquidity ratio at 30 Sept 2012 of 1.3 is well and truly solvent.

The balance sheet looks very strong anchored by the existing Belconnen facility and the new land purchase. However we need to be mindful that the development of the new facility is looming with the commensurate requirement for funding. The recent advice from the Regional Development Australia Fund is great news in this area but continuing to build our cash reserve remains central to our financial risk management.

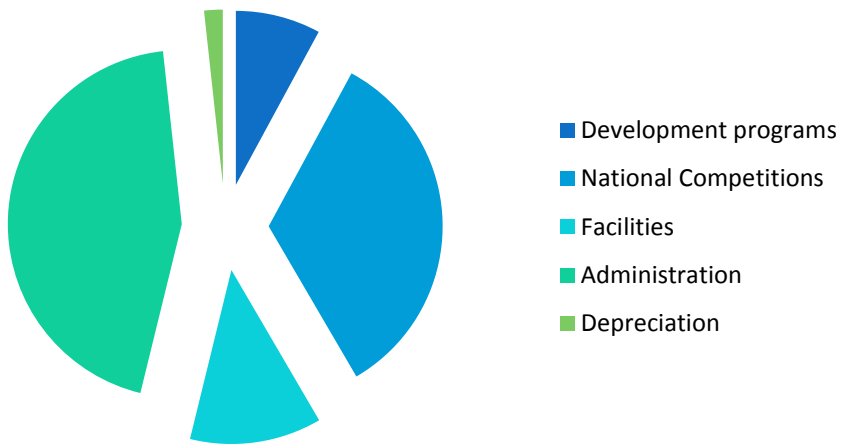

Our budgeted surplus for 2013 is \$117k which will help in our cash reserve strategy. The work done by the Management and the Board over the last year or two gives me every confidence we will achieve that surplus this year.

**Graham Coddington B.Ec FCPA**

Didn't play on the Wednesday night	2 weeks 8weeks 12 weeks 8 weeks To be served Concurrently
Steve Roger	12/7/2012	Technical Foul during game	Incident report from referees as per directive- no further action	

## 2012 Referees Information

Most rebuilding and development programs in officiating are based on a minimum 5 year approach. This approach is based around recruitment, retention and development of the officials. When observed there were a number of patterns within the ACT basketball community, including players, coaches and officials that formed the basis of where attention was to be focussed.

Previously the officiating program was filled in a volunteer capacity and with a limited number of participants without focusing on a more overall strategic approach. Coverage was a major concern initially, with levels of approximately 50% for juniors, 48% for seniors and 70% for Premier League.

B-ACT acted on a top down bottom up approach-initially to increase the senior Premier coverage and the junior competitions both Premier and grade.

Alongside of these projects was the need to fulfil B-ACT obligations across the representative programs and development opportunities where we were expected to provide officials of suitable standard.

This was achieved as a direct result of not only a referee-coaching program, converting into a larger and stronger referee program, but also a focus on a sense of camaraderie and achievement. While the program has at times proved difficult to maintain, it has produced some excellent young officials at various levels.

Where we are now? - We currently have a huge increase in coverage rate of juniors, anywhere from 50 to 100% for senior grade and 97% for Premier League.

2013's focus is to increase both the coverage and skill set of senior grade referees , results are already being demonstrated.

*i.e. Monday night coverage at Belconnen-the lowest coverage this summer season has been 86%*

### 2012 Panel Referees:

- Drew Meads (WNBL, SEABL, WABL)officiated both the Eastern and National Grand Finals
- Damien Nemeth (WNBL, SEABL, WABL)
- Clair Stevenson (WNBL, SEABL, WABL)(retired February2012 after 100 WNBL game)
- Simon Cosier (SEABL, WABL)
- Robert Rice(WNBL,SEABL)refereed Eastern women's semi final
- Sam Pettigrove (SEABL, WABL)
- Ian Gordon (WABL)
- Jack Taylor (WABL)
- Matt McRae (WABL)
- Daniel Byrnes (WABL)
- Jackson Dunkley (WABL)
- Declan Nannes (WABL)
- Daniel Helson (WABL)

### 2012 Representative Referees:

- David Maplesden & Ian Gordon (Ivor Burge National Championships)
- Jack Taylor(Under 18 National and National Schools Championships)officiated Gold Medal Men
- Daniel Helson (Under 16 Championships)
- Declan Nannes (Under 14 Boys Championships ,Micayla Helson Under 14 Girls Championships( officiated Bronze medal game)

2012 Referee Coaches:

- Karin Berrysmith (NBL, WNBL, SEABL, WABL)
- David Nimmo (WNBL, SEABL, WABL)
